Memorial and Honor Trees

The Hamilton County Parks and Recreation's Tree Dedication Program is the perfect way to honor someone special. Your donation of $500 covers the cost of the tree and plaque, and costs associated with installation and care. Trees are guaranteed for 2 years. To maximize the tree's ability to thrive and grow, we plant our trees in early spring and late fall, before the trees have leafed out or after the leaves have fallen. We will let you know when and where your tree is planted.
